

Pinned Post Template

- This is a post that we recommend you "pin" to the top of your Instagram feed after you post it.
- This will allow newcomers to your page to get a quick introduction to you and what you offer.
- To pin a post, first upload it as you would normally. Then, go to the post and click the three dots on the top right corner. Click "Pin to your profile"

Have questions or need help customizing? Post in the Members Group – we're here to help!

A woman with long, wavy blonde hair is smiling and standing against a textured, light brown wall. She is wearing a dark brown, sleeveless jumpsuit. The text "my application to be your" is written in a white, cursive font across the middle of the image, partially overlapping her torso.

my application to be your

Atlanta
Realtor

A black and white photograph of a woman with long, wavy blonde hair, wearing a light-colored, pinstriped suit. She is sitting on a dark wooden stool, holding a laptop and looking at the screen. The background is a textured, grey wall, and the floor is made of dark wooden planks.

Background Remover: Upload your image and drag it on to the template. Select the image and click Edit Photo. Select Background Remover and let Canva do its magic. Don't have Canva Pro? [Remove.bg](https://remove.bg) is a free website to remove your background.

How it all started

I started my career as a teacher and loved helping people learn and grow, but I found myself craving more freedom and a new challenge.

When we bought our first home, I realized how much I loved the process — guiding, explaining, and celebrating along the way.

That's when I knew real estate was my next chapter. Now I help people make confident moves and find homes that truly fit their lives.
